

Hello!

My name is Veronica Cartmell, but everyone calls me Roni. I am the educational aide in Ms. Erin's Classroom. This is my second year working with Ms. Erin and I have learned so much. I have 2 daughters, Mackenzie is 11 years old and is in 5th grade, and the youngest one Mackayla is 8 years old, and is in 3rd grade! I am also engaged to a wonderful man, Randy, and he has 2 children Conner & Maddy. We have 3 dogs that complete our big family; they are Sophie, Jazzy & Princess!

I have an Associate in Education and a Bachelor Degree in Psychology (Child Development). I plan on continuing my education. I am very excited to work with our kiddos! I can not wait to learn and play!
