

Name: Jill Phillips

Job Title: Physical Development Specialist

Location: Fayette Progressive School

Job Duties: Working on children large muscle skills such as jumping, hopping, balancing, catching and throwing. I also work on goals that the physical therapists provide for children such as learning to sit and stand and to access their environment in special adaptive ways.

Prior to Working at FCBDD: I was a substitute teacher in the Miami Trace school district prior to starting here in 1986. This is my 31st year of teaching for and Board of DD.

Family: I am married to my husband Jeff and have two sons John and Jacob.

Hobbies: Reading, clerking for my dads auctions, and mowing in the summer.

What I like most about my job: I like working with the kids and seeing them be happy to accomplish the tiniest little goal. The smiles on their faces make my day. I also enjoy working with our staff and have some great friendships.
