AGRICULTURE AND FARMING

From mini farms to large grain and mega livestock operations, Fayette County has a rich heritage of agriculture.

With a legacy in Agriculture on the farm, we are now growing with value-added production facilities that utilize locally grown products.

- **MIDLAND ACRES** This popular, premier Standard bred horse farm, boarding and veterinary clinic in Bloomington is experiencing a second life by supplying high quality equines to nearby racetracks with casino.

Midland Acres actually provides Fayette County with the highest number of horses of any Ohio county, including Standard bred Stallions, Broodmares, Yearlings and Weanlings. In fact, during a typical breeding season, there are hundreds of mares delivered to the farm from all over the country. midlandacres.com

- **GRAIN CROPS** The majority of farmland in Fayette County has been converted from diversified livestock into large-scale grain production. Soils are some of the most productive anywhere in Ohio, which accounts for over 90% of our 243,000 acres in agricultural production. The majority of the 94,400 acres planted are corn for grain, which yields a harvest of nearly 15 million bushels

(2007 figures). Soybeans and winter wheat make up the majority of the remaining crops planted..

- **ETHANOL PLANT** The Valero Renewables-Bloomington Plant is a bio-refinery sitting on approximately 65 acres. Since 2008, this facility converts entire kernels of corn into ethanol or distillers grains. Ethanol is an environmentally friendly, high-octane renewable fuel produced by fermenting converted corn start with yeast, and is used as a blending agent with gasoline.

The Bloomington plant annually processes nearly 43 million bushels of corn into 120 million gallons of denatured ethanol and 370,000 tons of distillers grains co-products.

- **PET FOOD PLANT** Mars Petcare US, Inc. is located in the Washington Court House Industrial Park and employs about 120 people. It produces Fancy Feast Cat Food, Diabetic Dog Food, Evo Cat Food, Hills Cat Food and Solid Gold Dog Food. The majority of raw materials used for their products is delivered directly by local farm operations. mars.com/global/index.aspx

FIRE IN THE SKY

BIGGER BADDER & BETTER

∴ **FIRE IN THE SKY** is presented by Fayette Fire In The Sky, a not for profit 501(c)(3) charitable organization which is comprised of more than 25 dedicated volunteer members serving the community.

Each year, the organization starts the planning phase of the annual Independence Day celebration in early January and the process grows in intensity up to the day of the celebration. The celebration and fireworks display are funded each year by these activities: donations from businesses, corporations, individuals, and civic organizations. "Fire In The Sky" also receives a substantial grant annually from Fayette County Travel and Tourism (a key funding component). WVNU Radio 97.5 FM is also a key player and a huge asset in fund raising and in show production each year, and also airs the soundtrack for the show.

Fire In The Sky is presented to the public free of charge. Celebrate the 4th of July holiday with us at the Fayette County Fairgrounds in Washington Court House.

From the county fair, hot air balloons, the air port open house, bowling, skating to hometown holiday happenings, there is fun for all in Fayette County.

∴ **COUNTRY FAIR** The Fayette County Fair has been an event that families anticipate every July for over 136 years. The fair is the place where the youth of the community bring their 4-H, FFA and other projects for judging. Whether its livestock, art, cooking, sewing, gun safety, creative writing, or other projects, the fair is the culmination of a years' worth of work for the youth. The open class competitions allow adults of the county to display their talents in some friendly competition.

One of the fair's signature attractions is the food booths by local churches and livestock producers. Add in great rides by Amusements of America and nightly entertainment in the grandstand and this is one county fair you won't want to miss! The Fayette County Agricultural Society has been doing renovations to the grounds in recent years to better house and display all the entries and they invite anyone who enjoys a day at the fair to come take in the sights, sounds and flavors of the Fayette County Fair. To find out more about everything the Fayette County Fair has to offer, call the fair office at 740.335.5856.
